

PERSUASIVE WRITING TASK

Name: _____

Date of Birth:_____ **Year level:**_____

Whaling

Whales are an important and often endangered part of the global marine environment. Many countries have outlawed whaling. Some countries, however, continue to catch and kill whales for a range of purposes (including for food, traditional reasons, scientific research etc).

Write a **persuasive piece** of writing arguing **for or against** global laws banning whaling.

[illegible]
